COUGARS

Hail! Etowah High School Home of the Cougars

THE AGONY AND THE ECSTASY OF THE YEARBOOK WORK

The Yearbook Staff this year presents their work with a mixture of emotions. Faced with enormous financial lack, in the absence of the Johnson and O'Malley funds, the staff worked relentlessly against other odds: insufficient time, limited number of dedicated staff workers, difficulty of collecting subscription fees and abundant overtime work schedules! Nevertheless, work was completed with much enthusiasm and delight on the part of the few who opted to devote their time to meet the ubiquitous deadline.

We heartily thank the Administration, the faculty and the students who supported our venture amidst all the odds present.
